

Oakland Elementary School

Title I Family Engagement Policy

Oakland Elementary School believes that the education of each student is a responsibility shared by the school and parents. The school recognizes that a constructive partnership provides for two-way communication and fosters educational support for students and parents. It is important to recognize that the term “parent” can also include guardians, grandparents, and other members of a student’s family who are involved in the student’s education.

In keeping with these beliefs, it is the intention of the school to cultivate and support active Family Engagement and to set realistic goals for parent-supported student learning.

The implementation of this policy is achieved through the following Family Engagement Plan:

GENERAL EXPECTATIONS

Oakland Elementary agrees to implement the following statutory requirements:

- Put into operation programs, activities and procedures for the involvement of parents in the school with Title I, consistent with *Section 1118 of the Elementary and Secondary Education Act (ESEA)*. - If the school Family Engagement Plan for Title I developed under *Section 1112 of the ESEA* is not satisfactory to the parents, their comments will be included along with the plan for review when Suffolk Public Schools submits the plan to the State Department of Education.
