

Dear Parents,

I am so excited to tell you about the Apex Fun Run event that will be at our school for the next two weeks! The Apex program teaches leadership and fitness to our students who will be seeking pledges for the Fun Run that will take place on Wednesday, November 29<sup>th</sup>.

Please visit [www.apexfunrun.com](http://www.apexfunrun.com) and log on with your students access code to hear about this interactive program that helps schools all over the country raise money, while promoting leadership and fitness in the classes. This year's character theme is Apex United where students will follow Sam, Rob, Wendy, Robin and Luke who together make up the United Squad. We catch up with our characters while the deceiving Mr. E is constantly testing them. With special powers provided by Omega these five friends will truly learn what it means to be united along with a surprise none of them saw coming.

Students are raising pledges for the laps they run (between 26 and 36, 36-lap max). Each lap is 1/16<sup>th</sup> of a mile. For instance, \$1 per lap means \$30 dollars total pledged if the student runs 30 laps. Our class has a goal of reaching \$3 per lap for each student, or \$90 simple donations.

**Here's the important part! The majority of the funds raised this year will go to our school to pay for technology for the classrooms and school, classroom supplies per grade level wish lists and other educational supports. However, the school has promised that an additional 10% of whatever we raise in each class goes directly to that teacher to use in their own classroom. My goal is to raise \$100/lap, enough money to buy AR books for our classroom library.**

Please help us reach our goal by talking to family and friends about pledging for your student. A great way to do this is to use the "Share Wizard" found on your students pledge page. The Share Wizard is an awesome tool that allows you to send texts, emails and share posts on Facebook and Twitter to help your child get sponsors for the upcoming fun run.

If you need your child's access code to login on [www.apexfunrun.com](http://www.apexfunrun.com) you can contact [info@apexfunrun.com](mailto:info@apexfunrun.com). I hope to see you at the Fun Run next week!

Thanks,
